**Classes
are held in
full-time and
evening formats**

Opportunities

There is a modern library with all amenities. It contains more than 15 thousand scientific and fiction books. There is also a comfortable dormitory and a gym for students.

About Us

From July 3, 2023, institute began its activities as an institute within the Samarkand State University named after Sharof Rashidov.

The foundation stone of this institute was laid in 1992 by Professor H.Turayev and Professor K.Saidov at the Faculty of Applied Mathematics and Informatics of SamSU.

Our goal

"Economics is not about understanding the market, but about managing it. We are preparing such leaders!"

Internship

Students undergo training and qualification practice in state representative bodies, commercial banks, and leading production enterprises. Students who have mastered the subjects well have the opportunity to improve their knowledge in developed countries.
