named after Sharof Rashidov**

## About us

In order to train highly qualified personnel with modern knowledge, in 2019, the Faculty of International Educational Programs was established at Samarkand State University in cooperation with foreign higher education institutions. This faculty was transformed into the Center for International Educational Programs in 2022.

The Center for International Educational Programs has joint educational programs in cooperation with leading universities of developed countries such as the USA, India, China, South Korea, Italy and Russia.

## Our Graduates

In the 2024-2025 academic year, 60 bachelor's and 2 master's students successfully graduated from the Center for International Educational Programs of Samarkand State University.

You can learn more about past graduates here.

<https://www.samdu.uz/uz/pages/Graduates>

## Advantages of studying in a joint program:

— International diplomas from Samarkand State University and prestigious universities in the top 1000 in the USA, India, Italy, the Republic of Korea (South Korea), Russia and China, recognized in Uzbekistan and around the world;

— Additional bonuses of up to 40 times the basic calculation amount paid to young specialists who have graduated from foreign higher education institutions (bachelor's, master's degrees) included in the top 500 in international rankings <https://lex.uz/docs/5512119>

— 100%, 50% 30% grant places in the Republic of Korea;

— Learning from foreign teachers;

— Quality and environment of higher education in the USA, India, Italy, the Republic of Korea (South Korea), Russia and China;

— Admission without a language exam with a national or international language certificate of at least B1 (if you do not have a certificate, you will have to take a test at a university other than Webster University).
