

HISTORY FACULTY

BACHELOR'S DEGREE

- History
- Archeology

MASTER'S DEGREE

- History (by directions and countries)
- Archeology
- Ethnogenesis (ethnic history of the Uzbek people)

PhD PROGRAMS

- History of Uzbekistan
- World history
- Archeology
- Historiography, source studies & methods of historical research

PHILOLOGY FACULTY

BACHELOR'S DEGREE

- Philology and teaching languages: English language
- Philology and teaching languages: Russian language
- Philology and teaching languages: Uzbek language
- Philology and teaching languages: Tajik language
- Publishing affairs

MASTER'S DEGREE

- Literary study: Uzbek literature
- Linguistics: Uzbek linguistics
- Literary translation (English language)
- Linguistics: Tojik language
- Literature study: Tajik literature

PhD PROGRAMS

- Uzbek language
- Uzbek literature
- Language and literature of Asian and African peoples
- Comparative literature, comparative linguistics and translation studies

MANAGEMENT OF HUMAN RESOURCES FACULTY

BACHELOR'S DEGREE

- Economy

MASTER'S DEGREE

- Theory of Economics
- Management of Human Resources
- Digital economy

PhD PROGRAMS

- Economic theory
- Economics of service industries
- Demography. Labor economics

SPORTS ACTIVITY AND ART FACULTY

Dear friends!

Our university is one of the oldest and leading universities in Uzbekistan. We invite all who set themselves the goal of becoming highly qualified specialist in the field of modern technologies, humanitarian, natural directions to become students of Samarkand State University. Auditoriums and laboratories are waiting for you with the latest equipment, scientific library, sports complexes, guest houses, museums, the medical center, computer classes and scientific and language centers, which will allow you get modern quality education and build a successful career in future.

Always strive for novelty, be inquisitive, and challenge difficulties.

Realize your ambitious plans.

See you at the university.

Sincerely, Rector of SamSU
Professor R.I. Khalmuradov

SAMARKAND STATE UNIVERSITY named after SHAROF RASHIDOV

FACULTIES
MATHEMATICS FACULTY
BACHELOR'S DEGREE
<ul style="list-style-type: none"> Mathematics Mechanics and mathematic modeling Mathematic engineering MASTER'S DEGREE Mathematics (by branches) Mechanics of deformable solids
PhD PROGRAMS
<ul style="list-style-type: none"> Mathematic analysis Differential equations and mathematical physics Algebra Theoretical mechanics Mechanics of soils and rocks Mechanics of deformable solids
DIGITAL TECHNOLOGIES FACULTY
BACHELOR'S DEGREE
<ul style="list-style-type: none"> Practical mathematics Computer science and programming technologies Program engineering
MASTER'S DEGREE
<ul style="list-style-type: none"> Practical mathematics (by specialties) Computer science and programming technologies (by directions) Artificial intelligence
PhD PROGRAMS
<ul style="list-style-type: none"> System analysis, management and information processing Mathematical modeling. A set of numerical methods and programs Fluid and gas mechanics
PHYSICS FACULTY
BACHELOR'S DEGREE
<ul style="list-style-type: none"> Physics
MASTER'S DEGREE
<ul style="list-style-type: none"> Physics (by directions) Nuclear physics and nuclear technologies (by usage fields)
PhD PROGRAMS
<ul style="list-style-type: none"> Astronomy Theoretical physics Optics Condensed matter physics Atomic nucleus and elementary particle physics. Accelerator technique Physics of magnetic phenomena Laser physics
CHEMISTRY FACULTY
BACHELOR'S DEGREE
<ul style="list-style-type: none"> Chemistry Chemical technologies

MASTER'S DEGREE
<ul style="list-style-type: none"> Chemistry (by science directions)
PhD PROGRAMS
<ul style="list-style-type: none"> Inorganic chemistry Analytical chemistry Organic chemistry Physical chemistry Chemistry of high molecular weight compounds Nanochemistry, nanophysics and nanotechnology
BIOLOGY FACULTY
BACHELOR'S DEGREE
<ul style="list-style-type: none"> Biology Biotechnology MASTER'S DEGREE Biology (by directions) Biotechnology
PhD PROGRAMS
<ul style="list-style-type: none"> Botany Zoology Plant physiology and biochemistry Biotechnology Human and animal physiology
GEOGRAPHY AND ECOLOGY FACULTY
BACHELOR'S DEGREE
<ul style="list-style-type: none"> Geography Geology Ecology and protection of environment
MASTER'S DEGREE
<ul style="list-style-type: none"> Geography (by study object) Ecology (by branches and specialties) Protection of Environment (by branches and specialties)
PhD PROGRAMS
<ul style="list-style-type: none"> Ecology Natural geography Economic and social geography Terrestrial hydrogeology. Water resources. Hydrochemistry Protecting the environment and rational use of natural resources
AGROBIOTECHNOLOGY & FOOD SECURITY FACULTY
BACHELOR'S DEGREE
<ul style="list-style-type: none"> Agrochemistry and agronomy Protection of plants Fruit and Viticulture Vegetable growing, gardening

<ul style="list-style-type: none"> Organization of greenhouse farming
MASTER'S DEGREE
<ul style="list-style-type: none"> Viticulture and initial processing of grapes Protected land fruit and vegetable growing Technology of cultivation of medicinal plants Subtropical and citrus fruit crops Vegetable and melon growing Potato growing Biotechnology in horticulture Organic farming and food security Plant protection (by methods) Agrochemistry Experimental agrochemistry
PhD PROGRAMS
<ul style="list-style-type: none"> Soil science General farming. Cotton growing Agrosoil science and agrophysics Agrochemistry Vegetable growing Fruit growing and viticulture Plant science Plant protection
LAW FACULTY
BACHELOR'S DEGREE
<ul style="list-style-type: none"> Law study
MASTER'S DEGREE
<ul style="list-style-type: none"> Philosophy (by specialties) Lawyer activity
PSYCHOLOGY AND SOCIAL RELATIONS FACULTY
BACHELOR'S DEGREE
<ul style="list-style-type: none"> Psychology: practical psycology Social work Sociology
MASTER'S DEGREE
<ul style="list-style-type: none"> Psychology (by type of activities)
PhD PROGRAMS
<ul style="list-style-type: none"> Ontology, epistemology and logic Philosophy of consciousness, culture and forms of practice History of Philosophy Social philosophy Theory of pedagogy. History of pedagogical teachings Theory and methods of education (by branches) Social psychology. Ethnopsychology Social structure, social institutions and lifestyle
