Does your university as a body provide free public access to open spaces and green spaces?

Buildings & Monuments
Samarkand State University

Notice

In order to maintain the sustainable development goals of the United Nations, the university provides free access up to some extent for university open spaces and green spaces to the common public. Common people are allowed entry into university spaces with certain terms and conditions.

All visitors are advised to cooperate in maintaining a clean and hygienic environment at the university campus. It is also advised that kindly do not bring eatables and do not litter waste here and there.

We are committed to maintain a sustainable environment across the university.
